### What's Happening This Week

Our March reading challenge begins this week! Our class reading goal is 2,700 minutes. If each student reads 15 minutes, 5 days a week for the next 4 weeks, then we will be able to reach our goal! Of course you can always read more! The blue calendar needs to be returned every Monday so we can total up the minutes for the week and track our progress. Please pay attention to the blue calendar for dress up days and daily reading challenges! Don't forget to sign up to be a mystery reader! If you are unable to work it into your schedule, feel free to share the link with grandparents, aunts, or uncles! Wednesday of this week will be our 100<sup>th</sup> day of school! We will be celebrating in our classroom, but your child does NOT have to bring anything or wear anything special for this day. Thank you!

**Note from the Teacher:** I hope you all enjoyed a long weekend! We've had a lot of time off from school this winter, but this break allowed me to visit my out of state siblings, so I was very grateful for a couple of days off!

### reminders

I still have some slots available for mystery readers. On February 28, I will open it up to staff members and my family, so please sign up by Thursday of this week if you'd like to be one of our mystery guests!

We could use some more paper towel in our classroom, if you have an extra roll at home, we would really appreciate the donation!
