- 5/10 - Noon dismissal
- 5/13 - Critter Barn field trip (9:15am-2:15pm)

What's Happening This Week

This weekend is our last chance to get minutes in for our March reading goal! If everyone reads a total of 78 minutes for this week, then we'll have our goal met! I know this is quite a bit for a busy lifestyle, but I told students to read in the car whenever they can this weekend, or look through books for 15 minutes on Saturday morning...every minute counts! I believe that we can do it!! Make sure you send back your blue March reading calendar on Monday!

On Monday, we will be having our third math test. Students brought home their "puppy math books" because we are 3/5 of the way through our math curriculum and ready to start a new book! They are learning so much!

It has been muddy and wet lately, and several of us are coming in from recess soaking wet and very dirty. If you could keep a clean pair of pants in your child's backpack, that would help us feel comfortable and keep our classroom clean! I feel so bad when they have to sit in wet, muddy clothes all afternoon. Thank you!

Note from the Teacher: Spring Break begins on Friday and I will be sending home a "Flat Stanley" for your child to color and adventure with while they are away from school for the week! Please look for a packet coming home in your child's purple folder this week!

reminders

If you cannot locate your child's reading calendar, PLEASE let me know and I'll send you a digital copy that you can print! If you do not have access to a printer, you can always email me the times or write them down on a sheet of paper.

Spring Break begins on Friday, so it is a short, four day week this week! I will be sending home an extra sight word or two or three for the week that we are away from school!
